National Utah Token Society

Next Meeting: July 28, 2022 7 PM

Columbus Community Senior Center, 2531 S. 400 E., SLC 84115

President's Message

"Hi Club Members, this month we're focusing on "Hard Times" tokens. Our guest speaker is Drew Whitehead. Drew is a Senior at BYU, studying political science with a minor in history. He started collecting coins at age 8 and has grown to love Hard Times tokens and how they are reflective of political and economic times in U.S. history. Hard times tokens are not the only thing he collects, as he has an interest in both ancient and hammered coinage. We're excited to have Drew speak to us and share the knowledge and experience he's gained over the years and from working at "All About Coins".

August is our annual club BBQ and metal detecting hunt. Please mark your calendars for Thursday August 18th. The BBQ will begin at 6:30p and go until 8:00p at the Sego Lily Pavilion at Sugarhouse Park. We still need volunteers to help and bring food items so if you're available to help the club, please sign up. Helping with the BBQ is another great way to earn a Christmas raffle ticket and another way is to submit an interesting article that you have for the newsletter to our club editor and secretary Cheryl Harrison. Please submit the article to NUTSTokenHunter@gmail.com. There are going to be some great raffle prizes at the Christmas party in December and the only way to get a raffle ticket is to volunteer throughout the year.

Thanks to our club officers and all of you that volunteer and help make the club a fun event each month. As always, this month we'll have a great speaker, snacks, drinks and raffle prizes so we hope you can join us. Please bring your friends and family, and if they sign up as new members of the club, you receive a silver dime and the new member receives a limited edition 40th anniversary club token. See you there!"
